

Profiles of Positive Aging

We are excited to announce the **Profiles of Positive Aging Gala**, on Sunday, November 10th at 3:00 pm at the Atlanta History Center. This gala honors the elders who have changed our lives and have achieved a positive aging lifestyle, and we're excited to celebrate them!

Please consider nominating a senior that you know or serve to be honored as a community hero who is making a difference in our state by exemplifying Positive Aging, in their own way. Please complete the form below and include a brief description of their exemplary aging story and how they continue to make a difference in the community (Profile should be 500 – 800 words). Then secure your tickets to the Gala to celebrate with us! Tickets are \$600 for 10 (Advocated Package), \$300 for 5 (Champion Package), \$65 per individual and \$45 per retired person/full-time students. Profiles **submitted by September 6** to the Association office will be considered. All submissions can be emailed to sbassett@leadingagega.org or faxed to **404-872-1737**.

The **Profiles of Positive Aging Gala** is designed to support the educational arm of LeadingAge Georgia, the Georgia Institute on Aging. The Institute provides affordable, quality professional development for individuals working in the field of aging. Currently, the Institute provides education to over 1300 professionals, via 25-30 events each year, who are dedicated to providing the best care and services to older Georgians.
